Oxford House Members:

Oxford House members are democratically voted in and accepted into each of the 51 homes in Missouri. In June 2024, 432 members surveyed a sample that showed 38.7% were still in aftercare and receiving services. During FY'24, Missouri Oxford House members averaged 401.1 days as members of a particular house, which is an incredible statistic!

Oxford House Meetings:

A bi-monthly State Association Meeting and monthly local Chapter meetings provide ongoing training on the Oxford House Model. Individual Oxford Houses have weekly business meetings, which review the Oxford House Model and focus on one tradition every week. As new houses are open, outreach staff will provide regular training and support for new officers. House and Chapter officer training was provided in each region, hosted by the Chapter, and taught by the outreach workers and seasoned members of houses.
